# Bring some adventure to your next event!

7 Summits + 2 Poles

**Horacio's high energy motivational presentation will engage your audience, providing entertainment and making your meeting or celebration memorable!**

His slideshow featuring fantastic photos and video footage from his climbs around the world and on the Poles, will create the synergy about passion, teamwork, motivation and perseverance, paired with a spirit of adventure, healthy lifestyle and active living, embracing the possible through positive thinking and concrete actions!

**His story about the 7 Summits and 2 Poles is a lesson in what can be achieved through passion and sheer determination, and a real inspiration for life. A constant reminder to us that strategic planning and effective teamwork need to be at the center of any successful organization.**

Horacio gives a fascinating insight into life in extreme environments, sharing his passion for achieving big goals. In his presentations he explains exactly how he turned his goals into reality, overcame numerous setbacks and used a variety of psychological techniques to retain the positivity and self-belief that ultimately led to his and his team's successes.

Horacio's mountaineering and polar achievements demonstrate his passion, tenacity and focus. He has climbed many of the big mountains on Earth, including the 7 Summits and he is on his way to complete the Grand Slam of Mountaineering, summiting the highest peak on each continent and reaching by foot the North and South Poles.

**Horacio's story is an inspiration to anyone who ever doubted their ability to succeed. A captivating speaker who entertains and inspires in equal measure. A powerful message about passion and life.**
